1. I have extended an invitation to Sen. Mike Mansfield (D., Mont.) for a debriefing on his recent trip to the associated states. The Senator will be debriefed in the DCI's conference room at 2:45 on 29 October. Copies of the Senator's report, released today, have been distributed within the Agency.

2. I have extended an invitation, on behalf of the DCI, to Sen. H. Alexander Smith (R., N. J.) and Mr. Francis O. Wilcox, chief of the staff of the Senate Foreign Relations Committee, for luncheon following their briefing on 28 October. Sen. Smith will ~~not~~ be able to accept the luncheon invitation.

The Security Office informs me that Mr. Wilcox received a full FBI investigation in March of 1953 and the results were favorable.

Both Mr. Brown and Mr. Wilcox will make every possible attempt to finish the State briefing so that CIA may start their briefing at 1100.

8. General Mudge, of the Senate Armed Services Committee staff, informed me that Sen. Saltonstall has just undergone a successful minor operation at the New England Baptist Hospital in Boston. This will necessitate Sen. Saltonstall postponing his trip abroad. Mr. Minot, the Senator's assistant, called Gen. Mudge from Boston to convey the Senator's regrets to Mr. Dulles. The present plan is for Sen. Byrd to carry on the trip with Gen. Mudge, and I will try to contact Sen. Byrd to invite him to a briefing prior to his departure.
